

Dormitories

We will need to know your exact count of people attending YA '10 **no later than June 25, 2010**. If you wish to add more attendees after June 25, it is not a problem. However please let us know how many you need to add as soon as possible. We (Youth Alive) do not need a list of names of your students that is just for your records.

Special Rooming Needs: Please list any needs that any of your counselors/students may have. For example if someone in your group is in a wheel chair or has trouble climbing stairs (there are no elevators) we will put them on the bottom floor, but we must know this in advance!!!

Please Note: Space on the first floor is very limited. Therefore, if it is absolutely necessary for someone in your group to be on the first floor we are happy to accommodate those needs. However, we cannot guarantee that your whole group will be placed on the first floor.
